

JACK WELLS TESTIMONIAL AWARD

Sponsored by Al Anderson's Source For Sports

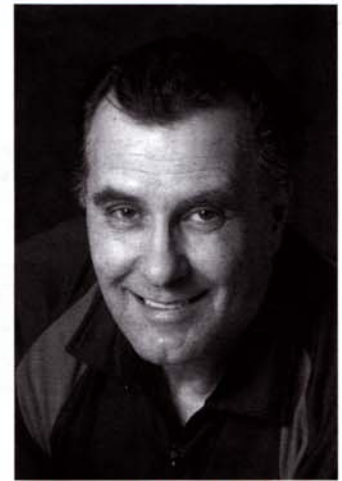

The Jack Wells Testimonial award is named in honour of Jack Wells, who was one of the founders of the Saskatchewan Jubilee games, which is the forerunner to the Knights of Columbus meet.

Daniel has been a competitor at the K of C Games while we were still in the old Saskatoon Arena running on the board track. There he established his first national junior record.

As a coach Daniel has for several years brought athletes to our Meet and have them visit city schools to teach children of the values of leading a positive lifestyle.

We are proud to have Daniel as this year's Testimonial Award recipient.
